EXPERIENCE – NATURAL RESOURCE MANAGEMENT

PROJECT DESIGN/CONSERVATION SPECIALIST

Recent duties include work on a major restoration initiative where I participated in the funding, design and implementation efforts on several projects for the Clackamas District. These projects included riparian restoration and fish barrier removal. Other recent activities include conservation plan writing, education in outreach and the creation of a watershed council. This work has required me to work extensively with a variety of agencies including NRCS, NOAA, USFWS, DSL and ODFW.

**CLACKAMAS COUNTY SOIL & WATER
CONSERVATION DISTRICT/
WILLAMETTE RESTORATION INITIATIVE**
Oregon City, Oregon
June 2003 – Present

SENIOR NATURAL RESOURCE SPECIALIST/LAND SURVEYOR

Duties included: Conducting wetland and natural resource investigations, producing compliance reports and mitigation designs for local, federal and state development permits. Leadership of survey crews in the field to data for topography, boundary and construction staking. Produced a variety of maps and land use development design specifications.

LDC DESIGN GROUP INC.
Hillsboro, Oregon
April 2002 – February 2003
June 1999 – November 2000

SENIOR SURVEYOR/NATURAL RESOURCE SPECIALIST

Duties included: Calculating survey jobs, writing maps, coordinating mapping projects, producing easements, developing marketing plans and leadership of survey crews. Other responsibilities: Conducting wetland investigations, stream habitat analysis, fish barrier assessments and mapping.

PARAMETRIX INC.
Portland, Oregon
March 2001 – April 2002

SURVEY CREW CHIEF/WETLAND SPECIALIST

Duties included: Calculating survey jobs, producing bid estimates, supervision of map production and leadership of survey crews. Other responsibilities: Consulting with clients regarding permitting processes, producing natural resource reports and ensuring state/federal permits were in place.

ABIQUA ENGINEERING INC.
Salem, Oregon

EXPERIENCE – RESOURCE DEVELOPMENT**NON-PROFIT / VOLUNTEER****PRESIDENT/ASSOCIATE/BOARD MEMBER**

I currently serve as President of a group of Northwest naturalists and wildlife specialists dedicated to teaching people about Northwest ecosystems. The group is active in native amphibian and wildlife monitoring education.

**NORTHWEST ECOLOGICAL RESEARCH
INSTITUTE**
Portland, Oregon
1991 – Present

VICE-PRESIDENT/BOARD MEMBER

I served one year as Chairman of the METRO lakes management policy advisory and budgeting committee. This committee was charged with managing a 2,100-acre natural area in North Portland. The Friends group has coordinated and implemented a variety of projects in the lakes area, including community wildlife education programs, wetland restoration, invasive specie removal and transportation planning.

FRIENDS OF SMITH & BYBEE LAKES
Portland, Oregon
1996 – Present

COORDINATOR/ORGANIZER

In this position I worked with the Northwest Oregon, Research & Development Corporation (USDA) to begin the first watershed council in Columbia County. My responsibilities included the implementation of a variety of projects. These included watershed assessment, fish monitoring and fish barrier assessment. This council has secured over \$1 million in restoration funds and removed nine culverts and two dams.

**SCAPPOOSE BAY WATERSHED
COUNCIL**
Columbia County, Oregon
1997 – 1999
